Ms. Diaz,

That will work.

Also, I would like to know if the Utah Div. of Air Quality is consulting with the EPA regarding the recent Energy Fuels Resources request to place additional fill material on the interim cover of Cell 2 at the White Mesa Mill.

The request was in the 2012 Annual Subpart W Compliance Report for the mill.

Thank you,

Sarah

Dear Ms. Diaz,

Sorry I was out of my office when you called and did not connect with your message until this morning.

You can call me at your convenience tomorrow at 435-259-4734. Or, send me a good time, and I will call you.

Thank you,

Sarah Fields
